I **request** the group insurance shown on page 2 of this application. To the best of my knowledge and belief: (a) I am eligible for such insurance; and (b) the statements I have made are true and complete. I understand that New York Life has the right to require additional information. I ask New York Life to rely on all such statements made on this form, and any supplements to it, while considering this request. I also understand that the coverage afforded will be in consideration of the answers and statements set forth above, and that any material misstatements or failures to report information material to the risk may be used as the basis for rescission of my insurance subject to the incontestable period provision of the policy.

I **understand** that insurance will become effective on the day approved by New York Life if I am alive on that date; the initial contribution is paid within 31 days after the date I am billed; I and any approved dependent are actively performing the normal activities of a person in good health of like age on the effective (residents of NC "performing normal activities" is replaced by the requirement that health status remains the same as stated on the application

I also **understand** that (a) a Critical Illness that is classified as a Pre-existing condition will not be covered under this plan. "Preexisting Condition" means any condition that was diagnosed or treated by a physician within 12 months prior to the becoming insured under this plan or produced symptoms within 12 months prior to the effective date of coverage that would have caused an ordinarily prudent person to seek medical diagnosis or treatment); and (b) benefits will not be paid for a Critical Illness diagnosed during the first 30 days of coverage.

AUTHORIZATION: I hereby authorize any licensed physician, medical practitioner, hospital, clinic or other medical or medically related facility, laboratory, insurance company or MIB, Inc. ("MIB"), or other organization, institution or person, that has any records or knowledge of me or my health, to release information, including prescription drug records, maintained by physicians, pharmacy benefit managers, and other sources of information to New York Life, its reinsurers, its subsidiaries or the plan administrator about the physical and mental health of any persons proposed for insurance, including significant history, findings, diagnosis and treatment, but excluding psychotherapy notes.

This AUTHORIZATION may be used for a period of 24 months from the date signed below unless sooner revoked. I may revoke this AUTHORIZATION at any time by notifying the plan administrator in writing at the address given on this form. My revocation will not be effective to the extent New York Life or any other person already has disclosed or collected information or taken other action in reliance on it, or to the extent that New York Life has a legal right to contest a claim under an insurance certificate or the certificate itself. The information New York Life obtains through this AUTHORIZATION may become subject to further disclosure. For example, New York Life may be required to provide it to insurance, regulatory or other government agencies. In this case, the information may no longer be protected by the rules governing your AUTHORIZATION. A photocopy of this AUTHORIZATION and request form shall be as valid as the original. In all circumstances, I acknowledge that I, or my authorized agent or representative, may request a copy of this signed AUTHORIZATION.

By signing and dating this application, the member **requests** the insurance indicated; and the member and any person proposed for insurance **consent** to authorize the disclosure of information to and from the providers noted in the IMPORTANT NOTICE, including making a brief report of my/our protected health information to MIB; and **attest** to having read the IMPORTANT NOTICE and Fraud Notices indicated on the attached; including how my/our information is exchanged with MIB, and that to the best of my/our knowledge and belief, the answers provided to the questions are true and complete.

THIS INSURANCE IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE. LACK OF MAJOR MEDICAL COVERAGE (OR OTHER MINIMUM ESSENTIAL COVERAGE) MAY RESULT IN AN ADDITIONAL PAYMENT WITH YOUR TAXES.
