DESIGNED BY VETERINARIANS FOR VETERINARIANS

Valuable Benefits. Remarkable Service.

Life sometimes throws you a curve at the most unexpected times. You can't always see what's coming around the bend. But with the AVMA LIFE Trust behind you, you're prepared for whatever life may bring.

With Life Insurance coverage from AVMA LIFE Trust, you're backed by the group purchasing power of thousands of veterinarians across the country and underwritten with your peers. The flexible plans were tailor made by veterinarians – specifically designed for the unique needs of other doctors like you.

Putting Your Needs First.

Since 1957, the AVMA LIFE Trust has provided members with coverage you can trust. That's because AVMA members are more than just program participants – they're in charge.

Nine Trustees, all AVMA Members, and one AVMA Liaison Trustee, supervise the program and its professional operating staff and provide overall direction. In addition, the Trustees act as a Review Board, should a member ever experience a problem with the insurance program. You can think of it as having a "Board of Directors" that puts your needs first.

The Program is designed to save members money. As a self-rated participating program, the charges to members are based on the claims experience of AVMA members and their families – no other outside groups. And funds received in excess of those required to operate the Program are returned to participants in the form of lower costs or improved coverage.

The Program is underwritten by New York Life Insurance Company, one of the industry's most respected names.

New York Life Insurance Company (NY, NY 10010), the underwriter, has received the highest possible ratings for financial strength currently awarded to any life insurer by all four major rating agencies including Moody's Investor Service (Aaa), Standard & Poor's (AA+), Fitch Ratings (AAA), and A.M. Best (A++).*

SPECIALLY DESIGNED FOR AVMA MEMBERS AND THEIR SPOUSES AGE 45 AND OVER

The AVMA LIFE Trust Senior Term Life Plan was especially designed to help meet the needs of AVMA members at the later stages of life. It is often difficult and expensive to secure the Term Life Insurance you may need at this stage of life. Regardless of your financial situation it makes sense to update your coverage to help make sure you have the financial resources in place to replace income, payoff liabilities and cover final funeral expenses.

It is also a fact that as people age they will have a greater chance of developing a serious illness. Adults over the age of 65 are 80% more likely to have four or more chronic conditions than those under age 65.** Should that happen you could use up even the most substantial savings and medical coverage.

That's why the AVMA LIFE Trust Senior Life Plan includes coverage for Terminal Illness, Chronic Illness and a Permanent Critical Condition. You may receive a cash benefit from your life coverage for qualifying conditions – known as an accelerated benefit – to help provide crucial financial assistance when you and your family may need it most.

We feel that this new AVMA LIFE Trust product can be an important part of your financial arsenal and we encourage you to review this material and judge for yourself if it can be a part of your financial planning

THE AVMA LIFE TRUST SENIOR LIFE INSURANCE PLAN

The AVMA LIFE Trust Senior Term Life Plan includes “Living Benefits” for Terminal, Chronic or Critical Illness along with a choice of Term Life Insurance Benefit from \$25,000 to \$100,000. This Senior Life plan was designed especially for people who are age 45 and older. That’s why it includes a “Living Benefits” feature to help financially should an insured experience a Terminal Illness, Chronic Illness or a Permanent Critical Illness Condition. Should an insured suffer one of these conditions you can receive Accelerated Benefits while alive and which would be deducted from the total Death Benefit.

Here is an example of how the accelerated benefits would work:

Qualifying Event	\$50,000 Death Benefit	\$100,000 Death Benefit	% of Death Benefit
Death	\$50,000	\$100,000	100%
Terminal Illness	\$25,000	\$50,000	50%
Chronic Illness	\$12,500	\$25,000	25%
Permanent Critical Condition	\$12,500	\$25,000	25%

It should be noted that there is a maximum benefits acceleration of 75%. An example would be the occurrence of a qualifying event such as Chronic Illness or Permanent Critical condition (25%) followed by a Terminal Illness acceleration (50%). No more than 75% of the Death Benefit may be payable on an accelerated basis. The remaining Death Benefit is paid upon death of the insured. If the death benefit is reduced by payment of an accelerated benefit; premiums due are based on the reduced level of death benefits.

Please note that the receipt of accelerated death benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits you should consult with the appropriate social services agency and seek the advice of a qualified tax advisor. Note: The accelerated benefit is not available to residents of Massachusetts.
