AVMA LIFE
Group 45+ Term Life Advanced Insurance
DESIGNED BY VETERINARIANS
FOR VETERINARIANS

Valuable Benefits. Remarkable Service.

Life sometimes throws you a curve at the most unexpected times. You can’t always see what’s coming around the bend. But with the AVMA Trust behind you, you’re prepared for whatever life may bring.

With Life Insurance coverage through AVMA LIFE, you’re backed by the group purchasing power of thousands of veterinarians across the country and underwritten with your peers. The flexible coverages were tailor made by veterinarians—specifically designed for the unique needs of other doctors like you.

Putting Your Needs First.

Since 1957, AVMA LIFE has provided members with coverage you can trust. That’s because AVMA members are more than just program participants—they’re in charge.

Nine Trustees, all AVMA Members, and one AVMA Liaison Trustee, supervise the program and its professional operating staff and provide overall direction. In addition, the Trustees act as a Review Board should a member ever experience a problem with the insurance program. You can think of it as having a “Board of Directors” that puts your needs first.

The Program is designed to save members money on premiums. As a self-rated participating program, the charges to members are based on the claims experience of AVMA members and their families—no other outside groups. And funds received in excess of those required to operate the Program are returned to participants in the form of lower costs or improved coverage.

The Program is underwritten by New York Life Insurance Company—one of the industry’s most respected names.

New York Life Insurance Company (NY, NY 10010), the underwriter, has received the highest ratings for financial strength currently awarded to any U.S. life insurer by all four major rating agencies including Moody’s Investor Service (Aaa), Standard & Poor’s (AA+), Fitch Ratings (AAA), and A.M. Best (A++).*

SPECIALTY DESIGNED FOR AVMA MEMBERS AND THEIR SPOUSES
AGE 45 AND OVER

The AVMA LIFE 45+ Term Life Advanced Insurance was especially designed to help meet the needs of AVMA members at the later stages of life. Regardless of your financial situation, it makes sense to update your coverage to help ensure you have the financial resources in place to replace income, payoff liabilities, and cover final funeral expenses.

It is also a fact that as people age they will have a greater chance of developing a serious illness. Adults over the age of 65 are 80% more likely to have four or more chronic conditions than those under age 65.” Should that happen, you could use up even the most substantial savings and medical coverage.

That’s why 45+ Term Life Advanced Insurance through AVMA LIFE includes coverage for Terminal Illness, Chronic Illness, and a Permanent Critical Condition. You may receive a cash benefit from your life coverage for qualifying conditions—known as an accelerated benefit—to help provide crucial financial assistance when you and your family may need it most.

We feel this AVMA LIFE product can be an important part of your financial arsenal, and we encourage you to review this material and judge for yourself if it can be a part of your financial planning.

THE AVMA LIFE 45+ TERM LIFE ADVANCED INSURANCE

The AVMA LIFE 45+ Term Life Advanced coverage includes “Living Benefits” for Terminal, Chronic, or Critical Illness along with a choice of Term Life Insurance Benefit from $25,000 to $100,000. This 45+ Term Life Advanced insurance was designed especially for people who are age 45 and older. That’s why it includes a “Living Benefits” feature to help financially should an insured experience a Terminal Illness, Chronic Illness, or a Permanent Critical Illness Condition. Should an insured suffer one of these conditions, you can receive Accelerated Benefits while alive and which would be deducted from the total Death Benefit.

Here is an example of how the accelerated benefits would work:

<table>
<thead>
<tr>
<th>Qualifying Event</th>
<th>$50,000 Death Benefit</th>
<th>$100,000 Death Benefit</th>
<th>% of Death Benefit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Death</td>
<td>$50,000</td>
<td>$100,000</td>
<td>100%</td>
</tr>
<tr>
<td>Terminal Illness</td>
<td>$25,000</td>
<td>$50,000</td>
<td>50%</td>
</tr>
<tr>
<td>Chronic Illness</td>
<td>$12,500</td>
<td>$25,000</td>
<td>25%</td>
</tr>
<tr>
<td>Permanent Critical Condition</td>
<td>$12,500</td>
<td>$25,000</td>
<td>25%</td>
</tr>
</tbody>
</table>

It should be noted that there is a maximum benefits acceleration of 75%. An example would be the occurrence of a qualifying event such as Chronic Illness or Permanent Critical condition (25%) followed by a Terminal Illness acceleration (50%). No more than 75% of the Death Benefit may be payable on an accelerated basis. The remaining Death Benefit is paid upon death of the insured. If the death benefit is reduced by payment of an accelerated benefit; premiums due are based on the reduced level of death benefits.

Please note that the receipt of accelerated death benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult with the appropriate social services agency and seek the advice of a qualified tax advisor.

IMPORTANT NOTICE: This coverage is not intended to be a federally tax-qualified long-term care insurance contract under Internal Revenue Code (IRC) Section 7702B. Therefore, the premiums payable do not qualify as long-term care insurance premiums and are not deductible from gross income for federal income tax purposes. A Chronic Illness or Permanent Critical Condition acceleration is subject to the federal per diem limits set forth in IRC 7702B. Under this rider acceleration, New York Life will not pay claimants more than the federal per diem limits. Assuming the amount you receive in the aggregate from all applicable policies does not exceed the federal per diem limits set forth in IRC Section 7702B, the benefits provided by the Chronic Illness or Permanent Critical condition acceleration are intended to be excludable from federal gross income under Section 101 (g) of the IRC.

Receipt of an accelerated death benefit may affect eligibility for Medicaid or other government benefits or entitlements and may have income tax consequences. Accelerating benefits before applying for these programs, or while you are receiving government benefits, may affect your initial or continued eligibility. You can contact the appropriate social service agency (e.g., the Medicaid Unit of your local Department of Public Welfare or the Social Security Administration Office) for more information.

When your coverage becomes effective.
In order to become insured, individuals must provide satisfactory evidence of insurability and pay the required premium. 30-Day No Obligation “Free-Look”
When you receive your certificate, you will have 30 days to review it. If you are not completely satisfied, you may return it, without claim, marked “cancel.” Your coverage will be invalidated, and you will receive a full refund of any premium paid—no questions asked.

*Missouri residents: Benefits will not be paid for death resulting from suicide within the first two years if New York Life can show that suicide was intended at the time of application.

About continuation of insurance.
New York Life cannot terminate coverage or change benefits or premiums on an individual basis; it may do so only on a class-wide basis. An example of “class” can be a group of insureds with the same age or gender. All insurance terminates when a member:
• Fails to pay insurance charges on time
• Ceases to be an AVMA Member
• Reaches age 80
• If the Master Policy terminates

New York Life has agreed not to exercise its right to terminate the Master Policy as long as: (1) AVMA continues to sponsor only the New York Life Program and (2) participation in the insurance program exceeds 10,000 insured members.

Spouse coverage terminates:
• For spouse upon divorce or termination of domestic partnership
• Upon termination of member coverage except for death or reaching the limiting age

Your accelerated benefits are paid directly to you. Death benefits are paid to the beneficiary you name.

You will receive a separate Certificate.
Each insured member will receive a Certificate of Insurance evidencing coverage which is provided under Group Policy Form GMR.
