**Chronic Care Rider (CCR) for Family Group Life**
Rising healthcare costs, deductibles, and co-pays make caring for someone with a chronic illness difficult and costly. With a CCR added to your policy, you could receive financial help while you're still living to help mitigate the costs related to your qualifying chronic illness; such as in-home care, transportation, and medical supplies.

**Accidental Death and Dismemberment (AD&D)**
For additional coverage – beyond the benefits paid by our life insurance plan – you can add AD&D to your policy for you and your spouse or domestic partner if you are under age 65. AD&D pays benefits upon a covered accidental death or serious injury, such as loss of a limb or loss of eyesight.

For more information on our Family Group Life plan, optional Chronic Care Rider or AD&D Coverage, call 800.621.6360 or talk with your agent. To find an agent in your area, visit AVMALife.org.

*In California, on the application and in the policy, this benefit is referred to as the Chronic Illness Option.

**Spouse/domestic partner coverage may not exceed the AVMA member's coverage.
